Sending in your Application

Please make sure to check that your Application has been filled out in the areas that pertain to your situation.

Please write down the date in the space provided on the back page. This is a key step because if we do not file your application immediately for some reason, we will know when you applied and what place you have in our files.

Please understand that you must let us know of your intent to stay active in our file. Just send us a note of continued interest stating whether there have been any changes in your situation, for example: a change of contact information, family size, finances, etc. It is not necessary to complete another application.

This note must be received by us every 6 months and can be e-mailed to cameoco-opmembershipcommittee@shaw.ca or mailed to the address above.

Thank you for making an Application to Cameo Co-op and showing interest in our community.
